Review of 125th Celebration

- Everyone was pleased with how things went. SAEG received a written Thank You from Myla Kneeland and verbal Thank You from Harold Binde.
- There were 45 entries in the Parade. It was decided a set time for the Candy Toss would work better in the future.
- There were 30 Vendors in the Park. Food sales were very good, but other sales were down this year. With the food vendors being moved to the Northeast corner of the park, some picnic tables in that area would be good in the future.
- Alumni decided to do a big reunion event every three years in conjunction with FogFest.
- It was also decided that the last weekend in June will be the date for FogFest going forward.

It was approved to get gift cards from the Bank as a thank you to the Summer Baseball Coaches.

A motion was made to have SAEG be the governing board over the Alumni Accounts and therefore move those accounts under SAEG at Peoples State Bank. Tim Gapp will be the manager of these funds. Billi Whempner seconded. Approved and carried.

A motion was made to purchase 5 chairs for the new gym through the Booster Club with Alumni Funds. Seconded, approved and carried.

Next Meeting was set for August 30. Laura Frankenhoff will host the meeting.

Minutes submitted by acting secretary, Justin Neugebauer.
